

## Oil Painting Class - Supply List

Please Note! If you have already been painting - please bring the supplies you have to the first class, and we will determine additional supplies you may need.

### Supplies Needed:

<b><u>Subject to Paint</u></b>	Please bring a picture you wish to copy or an item.		
<b>Easel</b>	Any type		
<b>Canvas</b>	Stretch canvas or canvas board		
<b>Palette</b>	Used to hold paint. Can be wooden, plastic or disposable.		
<b>Palette Knife</b>	Used to mix and transfer paint. Purchase a medium knife that is pointy.		
<b>Odorless Paint Thinner</b>	Must be odorless! I recommend the brand "Sunnyside", which can be purchased at Neu's Supply. Turpenoid Brand is also good and can be purchased at Michael's (with coupon!)		
<b>Brush Cleaner</b>	Turpenoid Natural is suggested		
<b>Paper Towels</b>	Absorbent paper towels or rags to clean brushes		
<b>Plastic Gloves</b>	Optional - To protect your hands from paint and paint thinner		
<b>Empty Can</b>	To put paint thinner in		
<b>Graphite Paper</b>	May be used to transfer your pattern onto canvas		
<b>Table Cover</b>	A plastic table cloth from the Dollar Store will work		
<b>Grocery Bag</b>			
<b>Notebook</b>			
<b>Pencil</b>			
<b>Brushes</b>	There are two types of brushes. Straight across, the longest hair one is call flat, the shorter one is called bright. I prefer the bright which gives more control on the strokes. However the flats are perfectly acceptable. You will need many brushes, but as a start, I suggest Brights (one of each: large, medium and small) Scepter Gold by Windsor-Newton are soft brushes, and can be purchased at Michael's. Bristle Brights (one of each: large, medium and small. 1 liner brush and 1 blender brush		
<b>Paint</b>	<b>Please note! You may begin with less colors.</b>		
Suggested:	Zinc White	Ivory Black	Paynes Grey
	Yellow Ochre	Cadmium Yellow Light	Cadmium Orange
	French Ultra Marine Blue	Cerulean Blue	Burnt Sienna
	Van Dyke Brown	Sap Green	Phtalo Green
	Phtalo Yellow Green	Cadmium Redlight	English Red
	Alizarin Crimson
